Presented as per booklet or separate sheet (from Fete and Choir).

Fete Report – there were two separate concerns expressed of the possibility of having a “bar” at the fete. These were received and will be considered in the final decision

Spirit Magazine was generously endorsed by the Pallottines via Fr Jose.
Strongly supported by finance committee as an essential of parish life.

Grief and Loss Ministry – note of thanks to Gaye De Petro Garner who has recently left the parish after many years as a dedicated member of the ministry and will be dearly missed.

Silvio offered bequested funds in parish keeping as donation towards the new social skills improvement strategy currently being developed in the school which Duncan gratefully accepted.

Questions and Answers: no further issues were raised.

Closing thanks from Dominic.

A note of thanks was mentioned for Ruth's preparation of the AGM agenda and booklets during a very difficult circumstance with her husband Bill's illness.
